Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Sunday 15 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Bright start on Monday, but soon cloudy with patchy rain.

This Evening and Tonight:
This evening will be mainly dry with some late brightness, although a few light showers possible towards the north coast. Rather cloudy but mostly dry overnight, but the odd light shower still possible. Breezy around the coast. Minimum temperature 11 deg C (52 deg F).

Monday:
A mainly dry start with some early brightness. Then clouding over with a little light and patchy rain extending southeast in the afternoon and evening. Maximum temperature 18 deg C (64 deg F).

Outlook for Tuesday to Thursday:
A mainly dry few days although rather cloudy with patchy light or drizzle at times. The best of any brightness around Belfast and Newry.
